

Company Profile

Edlins is a family business that was established in 1976. We are a household name in collecting circles in Australia and the company is well known overseas from our regular buying and selling trips to Europe, North America and Asia. We are proud to be members of the Australian Numismatic Dealers Association, the Australasian Philatelic Traders Association and the Stamp and Coin Dealers Association Australasia. Edlins is mostly well known nationally and internationally as an Auction House and in 2023 we will hold our 235th public and postal Auction. In addition, to Auctions, Edlins has been servicing the Canberra region collector market for over 47 years with the National capitals largest range of stamp & coins accessories, and now a major supplier of medal ribbons, quality replica medals and medal mounting accessories. Edlins has continued to grow with an expansion into regional NSW with the addition of our Yass premises which handles our Auction & esales side of the business.
